---

## Experience

---

### Massive Input Limited / General Manager

January 2019 - PRESENT, Ogba, LAGOS.

Massive Input Limited is a branding and experiential marketing company that specializes in manufacturing and supplying branded corporate gift items and Point of Sale merchandise for multinational businesses in the FMCG industry. We supply everything from branded T-shirts to branded gondolas for product display and everything else in between.

As General Manager I oversee the design, production and delivery of every job order to client specification.

I also manage a very vibrant team of five production personnel whose jobs range from sourcing of various materials to printing on finished products and delivery.

As a member of the management team I am also responsible for setting attaining organizational and departmental goals.

### Teach For Nigeria / Marketing and Communication Associate

January 2018 - December 2018, LAGOS

Teach For Nigeria is an education non-profit that hires exceptional Nigerian graduates to teach in underserved schools in low income communities across Nigeria with a view to improving learning outcomes for our children.

At Teach For Nigeria I was in charge of all internal and external communication with all relevant stakeholders of the organization.

I was also responsible for managing all of the organization's social media accounts.

I was in charge of planning and executing our annual fundraising dinner for 2018 with support from the CEO.

### Sulutek Nigeria / Project Manager

2011 - 2016, LAGOS

At Sulutek Nigeria we specialized in outfitting homes with quality

stainless steel and wrought iron handrails, gates, fence grills, doors and more.

As Project Manager I oversaw the fabrication and installation of all job orders to client specification.

I managed a team of four skilled personnel all of whom were specialists in metal works fabrication.
